The Office of Lifelong Learning Webinar Series: Adult Obesity Guidelines: What's New?

Please join Obesity Canada, the Office of Lifelong Learning and the authors of the new Canadian Adult Obesity CPGs for our second series of live, interactive webinars beginning November 3, 2020. The webinar series will connect you with chapter authors discussing key concepts in obesity care. With each of the six installments will include a live Q&A panel discussion and recordings will be made available to registered attendees.
